Dear Ms de Vries

**REGISTRATION OF THE ROOI ELS CONSERVANCY**

We are pleased to inform you that your application submitted for the registration of the Rooi Els Conservancy has been successful. The registration certificate has been forwarded to our Business Unit Manager, Boland Mountain Business Unit, PO Box 1981, Somerset-West, 7129 (tel: 021 851 1996), who will arrange for it to be presented to your committee in due course.

I would like to take this opportunity to congratulate your members on making this joint commitment to the promotion of nature and environmental conservation on their properties. We are confident that the conservancy concept will grow and prosper in the Western Cape Province. The combined commitment and effort of groups of landowners, such as yourselves, will ultimately play a significant role in the conservation of our natural heritage for the benefit, well-being and enjoyment of present and future generations.

We extend our best wishes to the Rooi Els Conservancy and assure you of Western Cape Nature Conservation Board's support and advice wherever possible.

Yours faithfully

**A. B. MITCHELL**
